Does your child have any serious allergies? During Ecology Camp, children may come into contact with potential allergens, including insect stings, poisonous plants, and foods (peanuts, tree nuts, etc.). If your child is allergic to any drugs that may be issued in case of emergency, please list those as well.

Are there any special conditions that would make your child unable to participate in active, outdoor activities, or any other special considerations you would like to make known to Merryspring and Knox-Lincoln SWCD staff?

Is the child taking any prescribed medication? If so, please tell us the drug, the condition under which it is taken, and the frequency. Merryspring and Knox-Lincoln SWCD staff cannot administer prescription medication to children unless in emergency, such as an allergic reaction. Please make sure to notify us in writing of any changes in this area between the time you fill out this sheet and the time the child arrives here for camp.

Please let us know who has permission to pick up your child at the end of the day. Be sure to update this information throughout the week if necessary. Include first and last name and phone number of the individual(s).

We like to take photos when possible of our activities. Does Merryspring and Knox-Lincoln SWCD have permission to use photos of your child for future brochures, publications, website use, or presentations?

Release and Assumption of Risk

As a parent/guardian, and in consideration of allowing my minor child, identified above, to participate in Ecology Camp, the terms herein shall certify as an assumption of risk and release for my child. I personally agree to indemnify and hold harmless MERRYSRING NATURE CENTER and KNOX-LINCOLN SWCD, its agents, employees and volunteers from any and all claims of my minor child for any harm arising out of or relating to participation in the Camp, including claims asserting negligence of MERRYSRING NATURE CENTER and KNOX-LINCOLN SWCD, its agents, employees and volunteers.
