

# Free Family Fridays

at Merryspring Nature Center in 2019

## Family Nature Walk – July 5

Increase your nature IQ. Discover backyard plants and trees, listen for birds, and catch glimpses of Merryspring's past.

## Bug Safari – July 26

Bug's the word. Search the Merryspring gardens for insects, and learn how to identify your findings. Nets will be provided.

## Summer Tree Identification – August 2

This guided tour will stop at many native tree species. Learn how to ID their leaves, buds, and bark.

## Wildlife Detectives – August 9

Use your detective skills to solve some nature mysteries. See if you can figure out the clues hidden in animal tracks, skins, and skulls.

## Nature's Tea Party – August 16

Sample some herbal teas made from plants right here at Merryspring. Create your own mixes to take home.

## Exploring Owl Pellets – August 23

Learn about Maine's native owl species, and discover the secrets inside the pellets they leave behind.

**Free Family Fridays from 10 – 11 a.m.**
